

**Desert Tortoise Council Publications**

**1982 PROCEEDINGS CONTENTS**

**Proceedings of the Seventh Annual Symposium 1982  
Las Vegas, Nevada and St. George, Utah**

- Berry, Kristin H. Annual Award: Profile of Recipient, James A. St. Amant. pp. 3-4.
- Berry, Kristin H. Bureau of Land Management: State Report - California. pp. 82-83.
- Bolwahn, Fred L. U.S. Fish and Wildlife Service: A Recovery Plan for the Desert Tortoise. pp 73-75.
- Burge, Betty L. Introduction to the TORT-Group. pp. 10-11.
- Campbell, Tom. Hunting and Other Activities on and near the Desert Tortoise Natural Area, Eastern Kern County, California. pp. 90-98.
- Forgey, Elizabeth W. Desert Tortoise Preserve Committee Report. pp. 86-89.
- Fusari, Margaret. A Study of the Reactions of Desert Tortoises to Different Types of Fencing. pp. 125-132.
- Garcia, John, Berry, Kristin H. and Schneider, Paul B. The Distribution and Relative Abundance of the Desert Tortoise (*Gopherus agassizii*) in Coyote Spring Valley, Nevada, with a Discussion of Possible Impacts of the MX Project Development. pp. 12-35.
- Hafen, Eldon. Washington County Cattlemen's Association and Utah Farm Bureau Report. pp. 76-77.
- Hoover, Frank. California Department of Fish and Game: State Report - California. p. 81.
- Lawler, Howard E. Conservation, Education, and Propagation Programs for *Gopherus agassizii* (Cooper) at the Arizona-Sonora Desert Museum. pp. 70-72.
- Lindquist, Kathleen L. and Appleton, Ariel B. Some Observations on Activity Patterns of Captive Bolson Tortoises (*Gopherus flavomarginatus*). pp. 162-172.
- Marlow, Ronald W. Is Time a Limiting Resource for *Gopherus agassizii*? p. 133
- Medica, Philip A., Lyons, Craig L. and Turner, Frederick B. A Comparison of 1981 Populations of Desert Tortoises (*Gopherus agassizii*) in Grazed and Ungrazed Areas in Ivanpah Valley, California. pp. 99-124.
- Roberts, Norman C. A Preliminary Report on the Status of Chelydridae, Trionychidae, and Testudinidae in the Region of Baja California, Mexico. pp. 154-161.
- Robison, Roland. Bureau of Land Management: Management for the Desert Tortoise in Utah. pp. 78-80.
- Schneider, Paul B., Turner, Robert J. and Bohuski, Karen E. Distribution and Relative Density of Desert Tortoises at Six Selected Sites in Southern Nevada. pp. 36-50.

- Sheppard, George P. Bureau of Land Management: Habitat Management Plans, Desert Tortoises, and the Arizona Strip District. pp. 67-69.
- Sheppard, George P. Field Trip to Beaver Dam Slope, Utah, and Hohman Study Site in Arizona. p. 5.
- Stevens, David W. Major Accomplishments of the Desert Tortoise Council in 1981. p. 1.
- Templeton, Billy R. Bureau of Land Management: Multiple Use Management on Desert Tortoise Habitat. p. 64-66.
- Tsukamoto, George K. Keynote Address: The Status and Future Outlook for the Desert Tortoise in Nevada. pp.6-9.
- Turner, Frederick B., Carl G. Thelander, Daniel C. Pearson, and Betty L. Burge. An evaluation of the transect technique for estimating desert tortoise density at a prospective power plant site in Ivanpah Valley, California. pp. 134-153.
- Vaughan, Sheryl L. Home Range and Habitat Requirement Study of the Desert Tortoise, *Gopherus agassizii*, in the Picacho Mountains. pp. 61-63.
- Walchuk, Sandra L. and deVos, Jr., James C. An Inventory of Desert Tortoise Populations near Tucson, Arizona. pp. 51-60.
- Young, Martha. California Turtle and Tortoise Club Report. pp. 84-85.
