

Desert Tortoise Council Publications

1986 PROCEEDINGS CONTENTS

Proceedings of the Eleventh Annual Symposium 1986 Palmdale, California

- Aardahl, Jeff. 1986 field trip to the Desert Tortoise Natural Area and the West Rand Mountains ACEC. pp. 1-2.
- Baxter, Ronald J., and Glenn R. Stewart. Excavation of winter burrows and relocation of desert tortoises (*Gopherus agassizii*) at the LUZ Solar Generation Station Kramer Junction, California. pp.124-127.
- Baxter, Ronald J., and Glenn R. Stewart. Report of continuing field work on the desert tortoise (*Gopherus agassizii*) at the Twentynine Palms Marine Corps Air Ground Combat Center, Spring 1985. pp. 128-140.
- Berry, Kristin H. 1986 Annual Award: Profile of recipient, Martha L. Stout. p. 7.
- Berry, Kristin H., Lori L. Nicholson, Steve Juarez, and A. Peter Woodman. Changes in desert tortoise populations at four study sites in California. pp. 60-80.
- Berry, Kristin H., Tim Shields, A. Peter Woodman, Tom Campbell, Jan Roberson, Karen Bohuski, and Alice Karl. Changes in desert tortoise populations at the Desert Tortoise Natural Area between 1979 and 1985. pp. 100-123.
- Burge, Betty L. Recent threats to the desert tortoise in Nevada. pp. 12-19.
- Coffeen, Michael P. State report - Utah - 1985. pp. 20-28.
- Cordery, Ted. State report - Arizona. pp. 31-32.
- Douglass, John F. Patterns of mate-seeking and aggression in a Southern Florida population of the gopher tortoise, *Gopherus polyphemus*. pp.155-199.
- Foreman, Larry D. 1986 California state report on desert tortoise management for the Bureau of Land Management. pp. 33-35.
- Haley, Ross. State report - Nevada Tortoise management in Nevada (1985). pp. 8-11.
- Henen, Brian T. Energy, lipids, and reproductive output in the desert tortoise (*Gopherus agassizii*): a research proposal. pp. 53-59.
- Lamb, Trip. Genetic variation in mitochondrial DNA of the desert tortoise, *Gopherus agassizii*, in California. pp. 45-52.
- Moncsko, George E. Desert Tortoise Preserve Committee, 1985 status report. pp. 36-38.
- Rowlands, Peter G. Assessment of production of annual plant species in the Western Mojave Desert, California. pp. 141-150.

Schulte, Ken. Mining in the CDCA as it relates to desert tortoise habitat. pp. 39-44.

Schwalbe, Cecil R. State report - Arizona The Arizona Game and Fish Department. pp. 29-30.

Sullins, Jim. Mojave Desert Range Project. pp. 151-154.

Turner, Frederick B. The Desert Tortoise Workshop, March 1985. pp. 3-6.

Woodman, A. Peter, Stephen M. Juarez, Eugene E. Humphreys, Karen Kirtland, and Lawrence F. LaPre.
Estimated density and distribution of the desert tortoise at Fort Irwin, National Training Center and
Goldstone Space Communications Complex. pp. 81-99.
