

1987—1991 PROCEEDINGS CONTENTS

Proceedings of the Annual Symposia 1987-1991

1987

Bury, R. Bruce. Desert tortoise research - U.S. Fish and Wildlife Service. pp. 4-8.

Clark, Ralph E. Land use planning in Coyote Spring Valley. p. 8.

Cordery, Ted. State report on desert tortoise activities: Bureau of Land Management, Arizona. pp. 9-10.

Johnson, Steve. The desert tortoise: Land acquisition and listing-1987. pp. 11-12.

Joyner, Michele A., and David J. Germano. Desert tortoises of the Piute Valley - 1987. pp. 13-21.

McClellan, Patricia E., and Jeffery B. Aardahl. Bureau of Land Management plans and action for managing desert tortoise habitat in a portion of the Western Mojave Desert, California. pp. 22-25.

Moncsko, George E. Desert Tortoise Preserve Committee - 1986 status report. pp. 26-28.

Ruesink, Robert G. The recovery plan for the desert tortoise in Utah. pp. 29-32.

Schwalbe, Cecil R. Arizona State Report: Arizona Game and Fish Department. p. 33

Swingland, Ian R. A perspective on international conservation of tortoises. pp. 34-42.

Swingland, Ian R. Environmental sex determination, migration, and regulation in the Aldabran giant tortoise. pp. 43-50.

1988

Barrett, Sheryl L., Susan D. Harper, and Jeffery A. Humphrey. Desert tortoise and Gila monster reintroduction along the Central Arizona Project: Preliminary report. pp. 54-56.

Bell, Dana. A mixture of volunteers: Cooperative efforts to protect the desert tortoise in California. pp. 57-58.

Bury, R. Bruce, Todd C. Esque, and Paul Stephen Corn. Conservation of desert tortoises (*Gopherus agassizii*): Genetics and protection of isolated populations. pp. 59-66.

Cordery, Theodore E., Jr., Elizabeth Wirt, Timothy Shields, and A. Peter Woodman. Results of investigation at three desert tortoise study plots in the Sonoran Desert Of Arizona. pp. 67-69.

Dahlem, Eugene A. Recent Bureau of Land Management efforts in tortoise habitat management in Arizona. pp. 70-71.

Duck, Timothy Allen, and Charles Pregler. Analysis of desert tortoise carcasses from the Arizona Strip, 1977-1987. pp. 72-80.

Duck, Timothy Allen, and John R. Snider. Analysis of a desert tortoise population and habitat on the Beaver Dam Slope, Arizona: Part 1, Site 44, Littlefield. pp. 81-92.

Germano, David J., and Thomas H. Fritts. Methods of age determination of the desert tortoise, *Gopherus agassizii*. pp. 93-100.

Germano, David J., and Michele A. Joyner. Does high adult mortality equal a population crash for desert tortoises in the Piute Valley, Nevada. pp. 101-111.

Goldsmith, Audrey E., and William W. Shaw. Plan for a study of desert tortoise in Saguaro National Monument, Pima County, Arizona. p. 112.

Haley, Ross. Tortoise management by the Nevada Department of Wildlife during 1987. pp. 113-115.

Hardenbrook, D. Bradford. Results from the Trout Canyon Desert Tortoise Study Plot Clark County, Arizona. pp. 116-133.

McClellan, Patricia E., and Jeffery B. Aardahl. Status and management plan decision for the Desert Tortoise Natural Area. pp. 134-136.

Moncsko, George E. Desert Tortoise Preserve Committee - 1987 status report. pp. 137-140.

Parker, Robert E. Some habitat characteristics of the Eastern-most population of desert tortoises (*Gopherus agassizii*). pp. 141-144.

Stubbs, David. A new global action plan for tortoises and turtles. pp. 145-151.

Stubbs, David. Tortoise conservation the French way: A species recovery program for Hermann's tortoise in the Massif Des Maures, Southern France. pp. 152-156.

1989

Avery, Harold W. Role of diet protein and temperature in the nutritional energetics of the turtle, *Trachemys scripta*: Implications for the nutritional ecology of the desert tortoise. p. 160

Barrett, Sheryl L., and Susan D. Harper. Desert tortoise and Gila monster reintroductions along the Central Arizona Project. p. 161

Berry, Kristin H., A. Peter Woodman, and Craig Knowles. Ten years of monitoring data from the Desert Tortoise Natural Area interior, Chuckwalla Bench Area of Critical Environmental Concern, and Chemehuevi Valley. p. 162

Chavez-Scales, Jayne. 1988 accomplishments at the Desert Tortoise Natural Area. p. 163.

Cimberg, Robert L. DTNA environmental projects associated with LUZ solar units in the Western Mojave: Present and future development. p. 164.

Dahlem, Eugene A. The desert tortoise and Arizona BLM: 1989. pp. 165-166.
