

Desert Tortoise Council Publications

1978 PROCEEDINGS CONTENTS

**Proceedings of the Third Annual Symposium 1978
Las Vegas, Nevada**

Allen, Walter. California Turtle and Tortoise Club. pp. 38-43.

Appleton, Ariel. Special report - Arizona, The Research Ranch. pp. 12-14.

Appleton, Ariel. The Bolson tortoise breeding program at the Research Ranch. pp. 164-174.

Berry, Kristin H. Livestock grazing and the desert tortoise. pp. 136-155.

Berry, Kristin H. State report - California, Bureau of Land Management. pp. 15-17.

Bramble, Dennis M. Some functional and evolutionary correlates of burrowing behavior in gopher tortoises.
pp. 58-60.

Burge, Betty L. Physical characteristics and patterns of utilization of cover sites used by *Gopherus agassizi* in
Southern Nevada. pp. 80-111.

Bury, R. Bruce. Desert tortoises and off-road vehicles: Do they mix? p. 126.

Bury, R. Bruce, Roger A. Luckenbach, and Louis Roberto Munoz. Observations on *Gopherus agassizii* from Isla
Tiburón, Sonora, Mexico. pp. 69-79.

Cook, James C., Ann E. Weber, and Glenn R. Stewart. Survival of captive tortoises released in California.
pp. 130-135.

Dodd, C. Kenneth, Jr. Special report - Utah, Status of the petition to list the Beaver Dam Slope population of
Gopherus agassizii as endangered. pp. 55-57.

Hendrickson, J. R. Status report and observations on a captive gene pool of Bolson tortoises. p. 156.

Hohman, Judy P., and Robert D. Ohmart. Historical range use of the Beaver Dam Slope, Arizona, and its
possible effects on a desert tortoise population. pp. 116-125.

Horton, Barbara Curtis. Special report - California, The Nature Conservancy and desert tortoise protection.
pp. 30-32.

Janulaw, John. Captive maintenance and breeding of the Bolson tortoise. pp. 157-163.

Liles, Thomas A. State report - Arizona Game and Fish Department. p. 11.

Lucas, Paul. State report - Nevada Department of Fish and Game." pp. 46-47.

Maley, Mark. State report - Nevada, Bureau of Land Management. pp. 44-45.

- Morafka, David J. The Bolson tortoise, a panel discussion. pp. 175-188.
- Nicholson, Lori. The effects of roads on desert tortoise populations. pp. 127-129.
- Patterson, Robert. Shell growth in the desert tortoise and in box turtles. pp. 60-68.
- Poland, Roscoe A. Special report - California, Conservation call. pp. 35-37.
- Radtkey, William. State report - California, Bureau of Land Management. pp. 18-20.
- Rowley, Frank. State report - Utah, Bureau of Land Management. pp. 53-54.
- Schwartzmann, James L., and Robert D. Ohmart. Quantitative vegetational data of desert tortoise (*Gopherus agassizii*) habitat in the Lower Sonoran Desert. pp. 112-115.
- Seibert, Donald A. State report - Arizona, Bureau of Land Management. p. 10.
- Smith, Donald A. State report - Utah Division of Wildlife Resources. pp. 48-52.
