

### **Attachment 3: Roads, Trails and Disturbance Associated with Motorized Vehicle Use in Selected Desert Tortoise CHUs in the Western Mojave Recovery Unit <sup>1</sup>**

The following provides an account of the miles of unpaved roads and trails; and acres of disturbance associated with vehicle camping, parking and stopping areas within desert tortoise CHUs in the Western Mojave Recovery Unit.

<b>Critical Habitat Unit</b>	<b>Roads and Trails Open to Vehicle Use</b>	<b>Roads and Trails Closed to Vehicle Use<sup>i</sup></b>	<b>Acres of Camping, Parking and Stopping Areas</b>
Fremont-Kramer	897	1397	136
Ord-Rodman	317	488	42
Pinto Mountains	143	66	18
Superior-Cronese	832	765	111
<b>Total</b>	<b>2,189</b>	<b>2,716</b>	<b>307</b>

---

<sup>i</sup> Note: Although roads and trails are closed to vehicle use, a majority of these routes continue to be subject to unauthorized vehicle use due to the limited ability of law enforcement officers (BLM Rangers, CDFW Wardens, County Sheriffs Deputies) and the extremely high number of vehicle users.
