***Schedule is subject to change as needed by circumstances.**

Welcome to those of you joining our outdoor field workshop next Friday or Saturday.
DTC will offer an online symposium in February 2022.

We also welcome new members who want to support our conservation work.

See our website for details: <https://deserttortoise.org/>

Email intro-course@deserttortoise.org with issues or questions.

Paid participants have received a list of suggested references and a handout listing the various agencies that oversee various aspects of desert tortoise work in the field.

They will be expected to complete an online evaluation of the course.

Participants will receive certification of attendance by snail mail by the end of November **provided that we have correct addresses** and that the evaluation has been submitted.
