RESEARCH INFORMATION

Title of research project:

Location(s) where research will be conducted:

Permits held or expected to be obtained for the research:

If selected to receive the grant, would you agree to provide a written report on the research to the Desert Tortoise Council Board of Directors or a presentation at a future Desert Tortoise Council Symposium?

Request at least 2 letters of recommendation, as per instructions in the announcement, and e-mail your application and CV to grants@deserttortoise.org as separate pdf attachments.

RESEARCH DESCRIPTION

In no more than 1,200 words, describe the objectives and/or hypotheses, methods and experimental design, and any preliminary data supporting the feasibility of the project. Also, describe how the grant would benefit the project (budget), and clearly indicate how the research would contribute to the biological knowledge, management and conservation of an imperiled chelonian species. Literature Cited, tables and figures do not count toward the 1,200 word limit.
